

Certificate of Compliance

Declaration of non-use of Persistent, Bioaccumulate, and Toxic (PBT) Chemicals under TSCA Section 6(h).

Under the Toxic Substances Control Act (TSCA), the Environmental Protection Agency (EPA) issued five final rules on January 6, 2021 to reduce exposures to certain chemicals that are persistent, bioaccumulate and toxic (PBT).

Persistent, Bioaccumulative, and Toxic (PBT) Chemicals
Decabromodiphenyl ether (DecaBDE)
Phenol, isopropylated phosphate (3:1) (PIP (3:1))
2,4,6-Tris(tert-butyl)phenol (2,4,6-TTBP)
Hexachlorobutadiene (HCBD)
Pentachlorothiophenol (PCTP)

ACS Motion Control certifies that it is compliant with the requirements of the Toxic Substances Control Act (TSCA) regarding the five (5) Persistent, Bioaccumulate, and Toxic (PBT) chemicals listed above and that none of the chemicals are intentionally used or added to our products.
